

## Surfin' Bitcoin 2022: 3 days of conferences 100% Bitcoin at the end of August in Biarritz

Biarritz, May 2, 2022 - [StackinSat](#) is launching today the ticketing for the third edition of [Surfin' Bitcoin](#) which will take place on August 25, 26 and 27 at the *Casino de Biarritz*. We expect between 1500 and 2000 participants this year, making us the largest Bitcoin conference in Europe. More than 80 speakers will take place on two stages: a general room for the greater public and an expert room for the most bitcoin-savvy people and industry professionals. The first day of *Surfin' Day* will be dedicated to networking, meetings and activities to encourage connections between participants. To end this first day, we'll organize an exclusive *Networking Night* reserved for VIBs, *Very Important Bitcoiners*. The other two days of the Conference Days will be dedicated to editorial content where each half-day will have a specific theme. Like last year, participants will also be able to learn more about bitcoin through a number of workshops and discover companies that will be exhibiting their products and/or services at booths.

### Surfin' Bitcoin 2022: The most ambitious edition ever organized in Europe

### Top international Bitcoin industry speakers to attend Surfin' Bitcoin 2022

The conference will have the honor of hosting some exceptional guests, including the following guest:

- **Jaime Leverton**: CEO of Hut 8 mining, she just completed a Nasdaq IPO a few weeks ago with her Canadian Bitcoin mining company. Its bitcoin miners are powered exclusively by renewable energy sources.
- **Pascal Gauthier**: CEO of Ledger, a French unicorn, he leads one of the world's leading hardware wallet in securing crypto-currencies. Like last year, he also has an exclusive announcement for us!
- **Roy Sheinfeld** : CEO of Breez, creator of one of the most used unhosted Lightning Network wallets in the world
- **Prince Filip of Serbia** : A strong advocate of Bitcoin in his country who hopes to one day have Bitcoin adopted as legal tender in his country
- **Christophe De Beukelaer** : Belgian Member of Parliament, he became known to the community a few months ago when he announced that he received his salary in bitcoin
- **Nicolas Dorier** : He lives in Tokyo and is the creator of BTC Pay Server, the essential open source solution for accepting bitcoin and lightning network as payment in your physical or online business
- **Tone Vays**: Trader, speaker and Bitcoin maximalist, he has been sharing his daily market analysis on his youtube channel for several years.
- **Ben Perrin - BTC Session**: Youtuber and educator well known in the Bitcoin community, he recently helped organize the Bitcoin fundraiser for the Freedom Convoy in Canada.

The conference program and the complete list of speakers will be revealed very soon! A networking app will be available a few weeks before the conference starts. The Surfin' Bitcoin 2022 ticketing opens today and will have an early bird phase with 21% discount for 1 month.

**About the organizer: StackinSat ([www.stackinsat.com](http://www.stackinsat.com))**

*StackinSat invented the concept of the Bitcoin Savings Plan ("BSP"), a service that makes it extremely easy to buy Bitcoin at regular weekly or monthly intervals, starting from €10. The company's ambition is to become the reference platform for all Bitcoin-related services in the coming years (savings, payments, etc.) and will focus its R&D strategy on products and services related to the Lightning Network, a second-level technology that makes Bitcoin more scalable, greener and facilitates micro-payments in Bitcoin. StackinSat is organizing the Surfin' Bitcoin conference, the largest Bitcoin conference in Europe on August 25, 26 and 27, 2022.*
